Our Event Spaces

Cargo Hold Located on the lower deck in the bow of the ship, the Cargo Hold is one of our most distinctive spaces. A standout feature is the long bar, which was installed in the former anchor room under the most challenging conditions. The original 80-year-old Bongossi wood flooring gives the room its authentic cargo hold character.

- Seated capacity: approx. 80 guests
- Standing capacity: approx. 150 guests

Grand Hall The Grand Hall, located on the middle deck, is the heart of the Cargo Ship. Completely redesigned in 2020, this exceptional space was created to host even more unforgettable events. Thoughtfully designed with great attention to detail, it offers a spacious, open atmosphere. Large windows provide breathtaking views of the water and Lübeck's historic old town, making every event truly special.

- Seated capacity: approx. 130 guests
- Standing capacity: approx. 250 guests

Upper Deck Our spacious Upper Deck offers a unique atmosphere that's perfect for summer events, elegant receptions, or relaxed sunset gatherings. From outdoor wedding ceremonies to open-air acoustic concerts, the possibilities are endless.

- Seated capacity: approx. 160 guests

Front Deck Terrace Our smaller terrace at the bow of the ship can be added as an outdoor area for your event. It combines perfectly with our indoor venues and offers flexible event layouts.
